WE'RE HEADED TO THE RAMP!

I am excited to join hundreds of youth my age this summer at the “**Summer Ramp**” in Hamilton, Alabama on July 28th – 31st for an encounter with Jesus in unity. My generation wants to be awakened so we can live fully activated in our God-given purpose, influencing our world for His kingdom. I am asking that you **prayerfully consider investing into the spiritual growth of my generation by giving financially** to what God is doing at ICON Church for myself and the Icon Youth ministry. You can do so **by signing your name above under any date(s) and give the total amount equal to the date(s) you selected no later than June 1st**. For example, if you sign your name under dates for May 1st, 2nd, and 3rd, you will give a total of \$6. Thank you in advance for advancing in the Kingdom!
